COUNTY OF LOS ANGELES

EXECUTIVE OFFICER

Dear Supervisors:

**REQUEST TO APPROVE SIX MONTH ONE-YEAR EXTENSION TO THE
PARTNERING FOR SAFETY AND PERMANENCE – MODEL APPROACH TO
PARTNERSHIPS IN PARENTING TRAINING SERVICES CONTRACTS
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

The Department of Children and Family Services (DCFS) seeks to execute four Partnering for Safety and Permanence – Model Approach to Partnerships in Parenting (PS-MAPP) training contract amendments for a six month ~~one-year~~ term effective February 1, 2014 through July January 31, 2014 2015, in order to complete the solicitation process of a new contract tentatively scheduled to start August 1, 2014 February 1, 2015. The four contracts are held with The Community College Foundation (TCCF).

IT IS RECOMMENDED THAT THE BOARD:

Delegate authority to the Director of DCFS, or his designee, to prepare and execute contract amendments (substantially similar to that in Attachment I) to extend the four contracts for the provision of PS-MAPP training services effective February 1, 2014 through July January 31, 2014 2015. The estimated aggregate Maximum Contract Amount for six months ~~one additional year~~ is \$501,567 \$1,003,134, financed by 50 percent (\$250,784 501,567) Federal revenue, 35 percent (\$175,549 351,097) State funds, and 15 percent (\$75,235 150,470) net County cost. Funding is included in the 2013-2014 Adopted Budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The four current PS-MAPP contracts will expire on January 31, 2014. The recommended action will allow DCFS to continue the provision of PS-MAPP training for prospective resource parents,

(foster and adoptive) in preparation for the permanent placement with dependent children/youth.

The solicitation process for a new contract has been delayed, due to the redesign of PS-MAPP and development of new deliverables and outcomes that will assist resource families to provide temporary and permanent placements for infants, siblings and older dependent youth. A Program redesign was implemented to address DCFS' current need for prospective resource foster parents to obtain more quickly their foster home license and placement approval as well as provide and track in-service training.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the County of Los Angeles Strategic Plan Goal #1 – Operational Effectiveness: Maximize the effectiveness of process, structure, and operations to support timely delivery of customer-oriented and efficient public service; and Goal #3 – Integrated Services Delivery: Maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

FISCAL IMPACT/FINANCING

The estimated aggregate Maximum Contract Amount for six months ~~one additional year~~ is \$501,567 ~~\$1,003,134~~, financed by 50 percent (\$250,784 ~~501,567~~) Federal revenue, 35 percent (\$175,549 ~~351,097~~) State funds, and 15 percent (\$75,235 ~~150,470~~) net County cost. Funding is included in the Department's FY 2013-2014 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On July 20, 2010, the Board approved four PS-MAPP contracts for a one-year term effective August 1, 2010 through July 31, 2011. Two additional one-year extensions from August 1, 2011 through July 31, 2012, and August 1, 2012 through July 31, 2013 and a six-month extension from August 1, 2013 through January 31, 2014 were executed by the DCFS Director through delegated authority under the adopted Board letter.

California Department of Social Services (CDSS) has approved an the additional one-year extension request on response letter dated April 5, 2013.

The PS-MAPP training program for resource (foster/adoptive) parents is designed to provide a firm foundation of knowledge and skill regarding foster care and adoption in their homes. In addition, PS-MAPP prepares prospective resource parents to support the goals of reunification and, when that is not possible, be prepared to provide permanence to a child.

CONTRACTING PROCESS

The Department utilized a Request for Proposals (RFP) solicitation process to seek agencies and organizations to provide services in four (4) Regions that encompass two (2) Service Planning Areas (SPAs) each [North (SPAs 1 & 2), East (SPAs 3 & 4), West (SPAs 5 & 6), South (SPAs 7 & 8)]. Contractors interested in providing services were required to submit separate proposals for each Region for which services were being proposed which demonstrated their ability to provide services for DCFS.

CONTRACTOR PERFORMANCE

The Contractor has sufficiently met performance standards to recommend contract extensions. Contractor is responsive in providing training services to prospective resource parents. DCFS has determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended Contract. This Contract does not include a provision for cost of living increases.

IMPACT ON CURRENT SERVICES

Approval of the six month ~~one-year~~ extension will allow the Department to continue to provide training to prospective resource parents to provide a firm foundation of knowledge, skills and attitudes regarding foster care and adoption and to enhance the ability of foster and adoptive parents to care for the children placed in their homes.

CONCLUSION

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board Letter to DCFS.

Respectfully submitted,

PHILIP L. BROWNING
